Lab 1. Software Testing Basics

Goals	<ul style="list-style-type: none">• Understand the process of creating test cases.• Learn to apply basic techniques for writing test cases.• Learn to prepare finite test cases
Time	90 Minutes

1.1 Validate Date field

Validate Date Field using Black Box Testing Techniques. Format of Date field is dd/mm/yyyy

1.2 Validate Command Line utility

Validate Command Line utility - 'MAX'.

The utility displays the maximum of the 2 specified Integers. Please note down any assumptions that you make.

E.g. MAX 2 3

Steps to run Max command line utility

1. create a folder demo on E drive
2. Copy max.exe file in to demo folder
3. Click on start > run. Type **cmd**
4. Type "**E:**"
5. Type "**cd demo**"

Use following command to run max utility

```
E:\demo> max 25 34
```

```
E:\demo> max 25 b
```

```
E:\demo> max a 34
```

```
E:\demo> max 25.45 34.67
```

1.3 Validate Phone Number field.

Format of the number is

Country Code (10 to 999) City Code (10 to 99999) Phone Number (1000000 to 99999999)

1.4 Validate Password Field

Write the test case for password field. Password should be the combination of Alphabets, numeric values and special characters. It should contain one upper case letter, at least one digit and at least one special character. The length of the password should be of minimum 8 characters.

Lab 2. Creating Test Cases

Goals	<ul style="list-style-type: none"> • Read “Product Enquiry Form Instructions” before starting the assignment. • Develop creative test cases for the New Bike Enquiry Form
Time	120 minutes

Note: In this lab use test case design techniques for designing creative test cases based on the requirements given below.

Participant are required to write at least 5 positive test cases, 10 Negative test cases, 5 Basic tests cases. This is minimum expectation.

2.1 Case Study

A customer can enquire about a new vehicle models by filling the “Product Enquiry Form” by visiting dealer’s website. This is useful for those customers who wish to upgrade their existing vehicle to a new one or wants to purchase a new vehicle. This website also facilitates a customer to book for a test ride through product enquiry form.

Brief About Enquiry

10. The website will validate the data for its correctness.
11. The customer need to fill the required details and should click on the Submit button to submit the enquiry with the website.

Lab 3. Creating Test Cases

Goals	<ul style="list-style-type: none"> • Read 'BOOKING INSTRUCTIONS' before starting the assignment. • Understand the application and develop creative test cases.
Time	120 minutes

3.1: Software Testing Case Study. 'ONLINE CONFERENCE ROOM BOOKING' on Intranet

Note : Please do not try using the system available on intranet. This is just a case study.

Booking Instructions

1. Invoke intranet by typing the URL <https://intranet.igate.com>
2. Login using id and password
3. Intranet home page is displayed
4. Select Employee Corner and Click on Conference Room Booking option
5. 'My Bookings' option on the Conference Menu Page displays the View / Cancel Booking Page.
6. 'New Booking' option on the Conference Menu Page displays the Conference Booking Page.

Making a new booking:

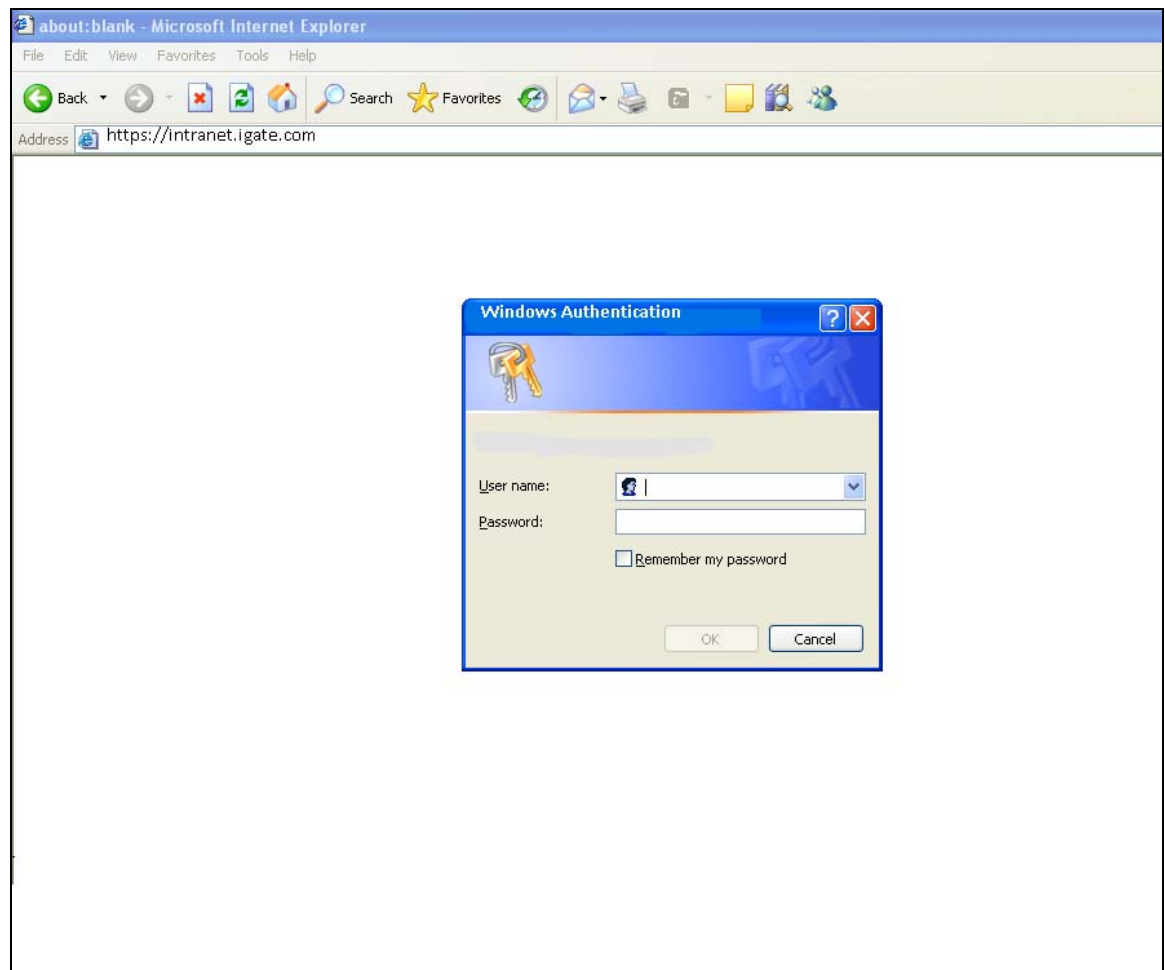

1. If you belong to a Non-GE Business Unit, you can book conference rooms only in Non-GE areas. However if you belong to a GE Business unit, you can book conference rooms at any location.
2. The employee Email id field is automatically filled with the email id of the person logged in.
3. Select the location from the location drop down box. This will automatically populate the sub-locations under the selected location in a new drop down box.
4. Select the sub-location from the sub-location drop down box. This will automatically populate the date drop down boxes.
5. Select the month from the month drop down box. Booking of conference rooms can be done only one month in advance. The date drop down boxes will be appropriately populated for this.
6. Select the date from the date drop down box.
7. Select the year from the year drop down box.
8. Upon selecting a valid location, sub location and date the complete Conference Room booking form is displayed
9. The rooms and devices available at the selected sub-location will be displayed in tabular format.
10. Enter your extension number and email id if it is not displayed correctly.
11. Select the room from the room drop down box.
12. Select the time span for which you want to book the conference room.
13. Select the communication and visual device if required.

14. Clicking 'Submit' button would validate whether the room and devices requested are available in the time span specified.
15. If either the room or devices requested are not available in the time span selected, an appropriate error message will be displayed else the booking will be registered. An Email will be sent to you as a confirmation for the same.

Viewing / Cancellation of Bookings:

1. All the booking made by you will be displayed. Bookings of current and future dates will only be displayed.
2. Select the bookings you wish to delete
3. Click the 'Delete' button to delete the selected bookings.

Invoke <https://intranet.igate.com>

Intranet home → Employee Corner → Conference Room Booking
